A Note From the Pastor

The world around us is about to undergo yet another breathtaking transformation. Our days will begin to grow shorter, and nature will quietly invite us to alter the pace of our steps. In Holy Scripture, God's faithfulness dates back to the time of creation, and Genesis 8:22 reminds us that "as long as the earth endures, seedtime and harvest, cold and heat, summer and winter, day and night will never cease."

The changing of the seasons is not just a change in the weather; it is a reminder that God is holding all things together. Just as trees shed their leaves to conserve strength for the winter, we are invited to evaluate our own lives, drop our unnecessary burdens, and clear away the distractions that interfere with our walk with Christ. Psalm 46:10 reminds us: "Be still, and know that I am God." So take a breath, and let this season be a time of rest and reflection in His presence.

Blessings in Christ,

Pastor Corry

Bookies

Every year the book club chooses a book from classic literature. This year's selection is Little Women by Louisa May Alcott. Published in 1868, the story follows the life of four sisters in New England during the Civil War. This engaging tale with interesting characters has been a favorite read through the years.

Come join us for a fun review and discussion.

VOLUNTEER RECOGNITION **SUNDAY**

Sunday, September 20, we will be celebrating the many ways our members have carried out the mission of Vineland Methodist Church the past year. VMC is so blessed to have members who work in Children's programs, run the

sound board, make VBS happen, help on cleanup days, serve on committees, provide refreshments for fellowship, work at the State Fair Food Booth, pray relentlessly for the church and help in so many other ways that we are celebrating YOU! The main dish and drinks will be provided; please bring a side dish for the meal. Join us following worship service for a feast of celebration and thanksgiving.

To ALL Veterans! **Thank you for your** **service and sacrifice !**

Hello Friends, Thank a veteran today!

There is an Honor Flight heading to Washington DC in October.

I have a Vietnam War veteran friend who could use cards of support to be read on his way home. If you are so moved, could you send a card (it can be anonymous) for him to read. Mail calls are a special part of the trip. Veterans receive a packet of personal cards from family, friends, community members, and strangers.

The purpose is to let veterans know their service is remembered and appreciated and that the community is grateful for the sacrifices made, and proud of their commitment to our nation. All veterans need to be welcomed home with the honor and respect they deserve. For many veterans (Vietnam in particular), this did not happen. It is never too late to show appreciation.

For Bill, these are due Sept 13. You can get them to me (Debbie Walters) at church or send them directly to The HONOR FLIGHT.

And if you just want to send a number of cards to different vets, I imagine you can write Dear Veteran !
